## Why We Focus on Kids

Engaging kids with the Gospel is one of our *five core values* at FBC. We are committed to reaching the 323 households with children under the age of 18 in the town of Clayton. This ministry takes on different expressions, but comes to the same result – *kids choosing to follow Jesus and growing in their faith*. In the 2016-2017 school year, we saw almost 20 kids from 1st to 12th grade saved and baptized. This is why we focus on kids!

## Why We Need Your Help

#1. There are only TEN people serving in FBC Kids! We need more people to serve in almost every aspect of the ministry, from cooking and cleaning to crowd control and teaching. The more people stand behind this ministry, the more effective it will be.

#2. God places an extremely high priority on children. You will be obediently fulfilling God's commands to bring kids into the Kingdom when you serve! See *Luke 18:15-17*

#3. You get to see kids get saved! There is no better experience than leading a kid or teenager to trust in Jesus as Savior! Come be a part of this victory!

**If you need more information or would like to sign up, please call the church office (575-374-9285)!**

# Sunday SCHOOL

We have classes Sundays at 9:45am for Pre-K (downstairs in the Preschool room, led by Mindy Frizzell and Cassy Scott) and for 1st–6th grade (upstairs in the Green Room, led by Judy Wiseman). Helpers would certainly be appreciated for quieting the kids and keeping them focused and assisting Judy with crafts and activities.

# WEDNESDAY NIGHT

Launching September 6th, *Wednesday Night* is the core of our FBC Kids ministry. Sometimes up to 40 kids come to eat, worship, learn, interact, and play, all focusing on Jesus and His free gift of salvation! We need helpers for crowd control, crafts, games, and to assist Pastor Mark with the Squad (4th-6th graders). Is this where God is calling you to serve?

The first Sunday of every month at 11am our kids enjoy their very own worship service upstairs in the Blue Room. They sing, play, learn, study, and grow in their faith. Led by Kellie Deason. We need helpers for crowd control and to keep the kids focused!
