

# THE WEEKLY WORD

@firstbaptistclayton

## 6 Days of Prayer for Camp

24 teens, 8 adults, and 2 littles from our church will be away at Falls Creek youth camp in Davis, OK this week. God is going to do amazing things in our group, we are sure of it! Please be in prayer for them this week:

**Monday** – Pray for safe travels. Pray for energy and enthusiasm for the leaders to start the week strong even after a long trip.

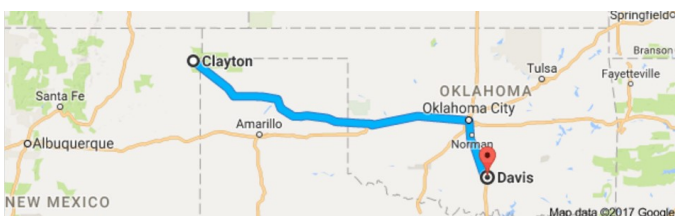

**Tuesday** – The first full day of camp, pray that students would be ready to encounter Jesus. Pray for students to be saved!

**Wednesday** – Pray that the significant amount of time the students are spending in prayer and Bible study would be impacting their hearts!

**Thursday** – At this point, the week has been long for the leaders. Pray for strength and enthusiasm. Pray that they would pour love and grace into the lives of our kids.

**Friday** – It's the last day of camp, please pray for those students who are still resisting the Holy Spirit's conviction. Pray for students to surrender in faith to Jesus!

**Saturday** – Again, pray for safe travels as we return to Clayton!

## 92 Years of Evolution in Schools

Monday, July 10th marks the 92nd anniversary of the start of the Scopes trial in Dayton, TN. In 1925, science teacher John T. Scopes was accused of teaching evolution in a public school. William Jennings Bryan and Clarence Darrow debated the issue of creation vs. evolution in one of the most publicized trials of all time. Though the jurors only deliberated for nine minutes and Scopes lost the trial and was fined \$100 (almost \$1,500 today), historians widely recognize the trial as a preliminary victory for evolutionists and progressives in the United States. It would only be a matter of time before evolution would be taught in schools across our country as fact and the Bible would be pushed out. Take time this week to pray for our nation, to lift up our leaders, lawmakers, and educators. Pray for Christians in our country to bring faith back into the public square.

## For More Information

You can find more information, events, videos, pictures, and study helps on our website ([fbcclayton.com](http://fbcclayton.com)) and on our Facebook page ([facebook.com/firstbaptistclayton](https://facebook.com/firstbaptistclayton))!

## Upcoming Events

**This week** – Falls Creek 2017 Youth Camp  
Monday, July 10th – Saturday, July 15th
